

## Why Pay 30-50% More For A Cell Phone Or Tablet?

Our entire inventory comes directly from our Corporate and Consumer buyback/recycling programs. This allows us to insure that all of the cell phones that we purchase are in full, functional working condition. Just like YOU, we do not want to pay for a cell phone that is not working and MOST importantly, we want to make sure you receive a quality device.

## What You Can Expect With Our Phones

- 30 day replacement guarantee
- All devices are cleaned/sanitized
- No need for insurance
- 30-50% less than full retail prices
- Professionally repackaged
- A no contract solution
- Spare inventory solution
- Orders before noon ship same day

So the next time you either lose, break, or just don't want to sign a lease or contract for a replacement cell phone....Look no further!

Our inventory varies daily as we buy and sell over 5000 phones per month.
